Dear . . .

Day 13

Dear diary

Today I am so tired after working extra hours yesterday and I do not have the weekend to sleep because of the move which I cannot wait for. We have been together for 5 years now and now we can finally be together all the time. I hope we can manage as I am sure he is the dream guy for me, just do not know how it will be to live with him. Is it normal to feel nervous? I know you cannot answer but do not know who else to ask. If I ask my mom she goes nuts because of the wedding, while none of my friends would understand me as they have all been living together with their men for a long time, only me who had issues with the landlord. I guess we cannot all be rich and perfect from a start. Anyway yesterday extra work has taken my energy so will call it a day and write again tomorrow.

Good night diary.
