Day 61

Dear diary

Niklas and I is better again but today Niklas got a call and even he did not want to go the general told him that he need to start his training next Monday. I am still a bit annoyed about the training but it sounds like the general has decide and not Niklas. I do not want him out of our home before we are friends again and I just realised that I was wrong in our argument as I thought that Niklas just used the general as an excuse to leave for training when he knew how much I hate the military but it was really his general who has decide to train them all. I wonder why they cannot come home doing the period. Anyway I will have some fun with Niklas now instead of being angry with him so no more diary today.

Good night diary.
